Sophisticated Hospitality

These two words accurately describe the character of the Relais & Châteaux Hotel Tennerhof, as the long tradition of the former farmer manor goes back to the year 1679. Here at the Tennerhof modern times meet the history of centuries past, and regardless of new trends, this is how it should remain. Because we believe, that only the deep roots of history will give you wings for the future.

Due to our ideal location, you can experience the bustling Kitzbühel and after that retrieve to your oases at the Tennerhof to enjoy your holiday to the fullest. The swimming and whirlpool stand for water, while the hot Finnish sauna symbolizes fire. Our relaxing spa and massage treatments embody the earth and the tingling, crisp atmosphere at our outdoor pool, surrounded by a garden and ancient fruit trees, represents the Alpine air. A holistic spa experience includes rejuvenating beauty and massage treatments, relaxation zones, and the panoramic-quiet and Silent Sole rooms.
